

**LINDSAY HOLY FAMILY SCHOOL
STUDENT INTERNET/NETWORK/E-MAIL ACCESS CONTRACT**

**This contract remains in force until amended or revoked
by Holy Family School.**

_____ has made application for access to the INTERNET/NETWORK/E-MAIL capabilities at Holy Family School and as a condition for this access agrees to ALL conditions outlined in this contract.

1. I will use the Internet/Network at Holy Family School for educational purposes only.
2. I will respect the ownership of materials accessed via the Internet/Network and will comply with all copyright laws and ethical use of computer accessed information.
3. I will comply with Holy Family POLICY CONCERNING INTERNET/NETWORK/E-MAIL USE BY STUDENTS. A copy has been provided to me with this contract.
4. I will reimburse Holy Family School for any fees incurred by unauthorized or inappropriate use of the Internet/Network/E-Mail.
5. If I have been assigned one, I will use my personal log in when accessing the school Network/Internet/E-Mail. I will not share my log in or password with any other student. (This policy applies to only older students with network and/or e-mail accounts)
6. The school reserves the right to amend this contract if it is determined that amendments would be necessary to better serve the needs of the District and its students.
7. I understand that by its very nature the Internet/Network allows access to information that may be determined to be objectionable by some and that the access of information is difficult to monitor and control. While misuse of information accessed via the Internet/Network will result in termination of my access privilege, the school will not be held responsible for misuse by students.

Our signatures indicate that we have read this contract and the Holy Family School Policy Concerning Internet/Network/E-Mail use by Students and agree to comply with all requirements therein.
